SUBJECT.

Forest Provincial Service Course of 1915-17

1. From - the Conservator of Forests, no 13462 & 30.6.1914.
States that he has received intimation that nomination to the Provincial Forest Service Course at Dehra Dun should reach the Principal before 1.10.14.

7. To Do - no. R. 3062 & 23.10.14
States that as no seat is available in the College at Dehra Dun and as the general standard of applicants is disappointing, the question of selecting a candidate this GPB 10,000—25-8-15 year may be dropped.

6. To the I.A. Resident, no pol. 35-8 & 22.10.14
Requests that the Govt of India may be addressed to kindly arrange with the college authorities

to reserve a seat in the College every year for a Mysore Student.

9. From Do. : No. 076 S. 1. ... 15.

States that, Though the Govt. of India are unable to bind themselves definitely at present, there will be no difficulty in placing one nomination at the disposal of the Durbar annually.

11. To the Conservator of Forests, No R. 9410 A. 30 ... 15.

Calls for the submission of proposals for nomination for 1916-18 Course. States that applications should reach the Institute by 15th July 1915.

Points for consideration are:-

1) whether any candidate should be sent up for the 1914-15-17 Course. In case one has to be sent, the Comr will have to be asked to call for applications. His suggestion is evidently that no one need be sent for the 1914-17 Course & the five Rangers reported in service referred to by him, have all been provided for in the forgotten rank. This raises an important question regarding the recruitment of officers for the forgotten Rank. It would perhaps be best to declare that only the vacancies in the forgotten rank so many as may be required for Rangers & so many for direct appointment. The Comr himself had made such a proposal. Vide his letter no K602 & 4.8.1913 (H- 158-12-8

3 The next point raised by the Comr as regarding the appointment of P. Krishnaswamy Rao as a supernumerary, it has to be noted that

7 The figures put up show that the subordinate service cannot justly complain of want of recognition.

8 The Conservator's letter is practically a plea for being satisfied with mediocre attainments for 9 years, which is the probable period necessary for providing the Rangers specified by him with forested appointments. B

9 If the administration of our forests has to keep pace with progressive administration elsewhere, it is necessary that the controlling staff shd be recruited from men who have had the best training available; and the proposition that a graduate would probably be too keen a price

to pay for satisfying the aspirations of subordinate grades. It may be added that no definite promise of promotion to forested appointments can be given (these have been held out by Rangers to Forest Code (art 16) makes such promotions "exceptional".

10 The Conservator may perhaps be requested to write confidentially for the 1915-17 course without loss of time, as applications for nomination have to reach the President by the 15th Oct next

20/7/14

11 The present Conservator of Forests may be unofficially consulted. The class of officials who presented themselves last year was mediocre and Mr. Krishnaswamy has on the whole not a somewhat disappointing set. If there are already two or more men in the College, we

They have the additional advantage of being wholly untainted from contact with men of mediocre ability or questionable character already in service. Only a few Rangers in the service come up to this standard and they can be made an exception of in filling up the gazetted appointments. I would therefore very much prefer to call for applications for the course of 1915-17.

Controlling staff and to state that similar complaints have been made to me by other Rangers in the course of my tours.

3 I may be permitted to state at the outset that -- their grievances are not unfounded. During the past twelve years we have taken particular care to recruit some of the -- best Mysore Youths by offering them brilliant prospects in the Department. Their career at the Dehra Dun Forest College has been not only a credit to themselves but also to the State that deputed them, so that Mysore students stand very high now in the estimation of the College authorities. Besides the Notification calling for candidates itself held out hopes to them that they had prospect of eventually rising to the First Grade of Deputy Conservators, vide copy of the notice herewith enclosed. Moreover most of them have proved their fitness for the Gazetted Service by efficient discharge of their duties.

4 I accordingly beg to recommend to the favourable -- notice of Government particularly the following Rangers and beg that their claims for promotion may be considered before the candidate recently deputed to the College is admitted into the Gazetted Grade. In any case he may be treated as supernumerary until they are provided for.

1. P. Poothiah. — Ranger I Grade, Age 40. Has rendered approved service for 13 years.

2. B.Narasimhaiengar B.A. — Ranger III Grade. Age 32. A highly intelligent young men. Promises to become a good Offi-cer.

3. Mohamad Pir B.A. — Ranger II Grade. Age 31. An erergetic and capable Officer. Well educated and had a successful - university career.

4. M. G. Venkata Rao B.A.	Ranger IV Grade. Age 27. Passed out of the Forest College with Honours A very promising young Officer.
5. M.V. Narasimhaiah B.A.	Ranger II nd Grade. Age 34. Takes great interest in his work and promises to become a useful Forest Officer.
6. B. Madhava Rao B.A.	Ranger IV Grade. Age 31. A quiet unassuming and highly intelligent young man.
7. A. V. Kesavaiengar B.A.	Ranger IVth Grade. Age 31. Intelligent and promising
8. L. Srinivasamurti B.A.	Ranger IVth Grade. Passed first with Honours. Winner of two gold and one silver medals. A promising young man.
9. M. Venkataramaya.	Ranger IVth Grade. Age 30 English and Vernacular branches of the B.A. Degree. Is a brother of the late Mr. M Venkatanaramappa, one of our best Forest Officers. Is a conscientious and intelligent young man.

3. After the men mentioned above have been provided for, great difficulty will be experienced in recruiting the superior staff. Then our only alternative is to send picked men possessing good educational qualification and aptitude -- for forest life to Europe or to the Provincial Course at Dehra Dun and till then no fresh recruits are necessary.

I have the honour to be,

Sir,

Your most obedient servant,

FOREST DEPARTMENT.

Notification dated 20th May 1911.

Applications are invited before the 25th June 1911, from natives of Mysore for training in the Imperial Forest College at Dehra Dun, with a view to their subsequent employment as Forest Rangers in the State, with prospects of rising to Rs. 600, provided their conduct and training continue to be satisfactory, and provided further that there are the required number of vacancies in the Department.

2. Candidates should submit certificates of physical fitness for rough outdoor life, age and of respectability and moral character from heads of Colleges or individuals of position.

N. B.—Preference will be given to candidates possessing very good physique and aptitude for outdoor forest life.

3. Selected candidates will be called upon to undergo a probationary practical Forest training of 3½ months under the order of the Conservator of Forests before joining the Forest College in April 1912.

4. While under the practical training, they will receive travelling allowance of Rs. 25 per mensem and should they give satisfaction during the period, will be deputed to Dehra Dun and given :—

(1). A monthly stipend, which will not be more than Rs. 50 per mensem, during the course of 23½ months which they have to undergo at the College.

A sum of Rs. 150 will be advanced to each selected candidate for initial expenditure on his arrival at the College on account of his Uniform, Books and Camp expenses ; moiety of which will be recovered from the candidate's stipend at the rate of Rs. 5 per mensem.

(2) Their actual travelling allowance to and from Dehra Dun.

(3) The grant of this stipend will be held to constitute a lien on the candidate's services for a period of five years after leaving the College, and removal for misconduct within that time will be grounds for refund of the total stipend awarded and for this, proper security will be demanded. On the other hand, Government will be under no obligation to employ the candidate after returning from the College, while it may discontinue the grant of stipend at any time during the College course without assigning any reason for so doing.

5. Candidates should make their own arrangements to deposit a sum of Rs. 100 each with the Principal of the College as caution money and security for good behaviour and conduct as per Rule 12 of the College Rules.

6. For further information regarding the rules, etc., of the College, applicants should address this office.

Sir,

I humbly and respectfully beg to protest, against the notification in the Mysore Gazette of the 28th August 1913, Calling for Applications for undergoing training in the provincial Course at Dehra Dun and for Subsequent employment direct On the Controlling Staff.

The principal of the Imperial forest College at Dehra Dun, has placed On record, that as the newly Constituted Provincial Course is no more, than the previous Rangers Course, it is a waste of time that passed men should undergo the former training Again. Hence the notification, Sounds as it were

the death knell to the Aspirations and prospects of the Dehra trained Rangers, many of whom are Graduates and undergraduates, and have taken high ranks or passed with honours, in the previous Courses at Dehra.

The Vacancies in the Gazetted Ranks are few and far between and should not be filled up in advance, by young men of limited executive Capacity, who undergo a Similar training under a different name, it will Completely destroy the Aspirations of the Ranger class and eventually kill out all healthy Competition and honest work.

I therefore humbly beg to Suggest, that the Field Conservator of Forests, who has Considerably increased the Revenue Earning and efficiency of the Department

may be pleased to redress the just grievance, of the overworked Rangers who are the backbone of the department, by ceasing to send any Candidates for the Provincial Class for sometime to come, so that the fully qualified Rangers, with approved executive Service, may take their Chances of promotion to the Controlling staff.

I the undersigned respectfully beg to bring the following lines to your kind consideration, hoping they will meet with success.

With reference to the notification in the Mysore Gazette for 28th August 1913 Calling for applications from candidates for undergoing training in the Imperial Forest College at Debra Dun and their subsequent employment in the controlling staff, I beg to state that this step ruins for ever the prospects of the present Debra Dun Rangers in the Mysore Forest Service and creates discontent among them as may be seen from the following.

As per the conditions of the previous noti-

otherwise qualified themselves by passing local and other tests for appointment to the controlling staff of the Department. The no. of appointments in this Staff is limited and the Vacancies that occur are very few and far between and that if these are to be filled up in advance by direct recruitment of men fresh from College, with ~~natural~~ Indian executive ability who, after all undergo the same course at Debra Dun as the previous Rangers though under a different name and in point of literary qualifications cannot surpass the present graduate Rangers, it need hardly be said that it will be a death blow to all the prospects and aspirations of the Lucknow service Rangers.

I therefore most humbly pray that the kind Conservator of Forests who has done so much for the amelioration of the various staffs in the Department, may kindly be pleased to redress the above just grievances by kindly revoking the above-mentioned Gazette notification and ~~and~~ also ruling that no new candidates be deputed to Debra Dun for undergoing the present provincial course for another 7 or 8 years so that

Sir,

With reference to Notification dated 25th August 1913 in the Mysore Gazette dated 28th August 1913, I respectfully beg to protest against sending new men for being trained for the Controlling staff of the Forest Department for the following reasons:-

(1) This procedure unnecessarily blasts all prospects of the Rangers in service of their attaining to that Rank.

(2) The number of officers is limited and small and very few vacancies left and if new men will be posted

efficiency of our Department will be sympathatic enough to consider our prospects and at least suspend for a time his proposal to send new men direct and thus help us, poor overworked and ill-fated Rangers to keep up our prestige.

cant. I have personally seen all of them. Of these, three are graduates in Physical Science, one in Geology and the last in History. Of the Physical Science graduates who are all eligible for the studentship, P. Srinivasamurti does not possess a prepossessing appearance. Of the remaining two, D. Suryanaryana Rao seems physically superior, but B. G. Appadorai Mudaliar possesses superior qualification and has a smart and intelligent look about him.

2. Subsequent to the publication of the notice, a circular was received by me from the President of the Forest Research Institute and College stating that in modification of the conditions of clause three of the Notification, it had been decided to hold from this year, the qualifying examination in Mathematics at various centres in British India as may prove convenient to the candidates from the various Presidencies, Provinces and Native States. The President adds that he has nothing to do with any examination in English or Physical test beyond having the power to at once send down any student who is evidently not up to the mark in these. The examination in Mathematics is proposed to be held sometime about the middle of November next and on hearing from

the Director as to the place and date of the examination, the selected candidate will be informed accordingly.

Sir,

With reference to your memo No. 6737 dated 17th September 1914 forwarding copy of a letter from the President of the Forest Research Institute and College, Dehra Dun, intimating that no seat can be made available for the Durbar in the Forest Provincial service Course of 1915-17, I am directed to state that the Durbar regret to learn that their request for the reservation of a seat for their candidate could not be complied with.

2. In view of the importance of having properly trained officers for the higher appointments in the Forest Department of the State, the Durbar would be much obliged if they ~~can get~~ could arrange to reserve a seat for a Mysore candidate ~~an assurance that in future one seat will be made available every year for their candidate~~ every year. If the Durbar have no need for the seat in any year, they will give timely intimation so that it may be made available for candidates from elsewhere.

3. I am ~~therefore~~ to request you to be good enough to move the Hon'ble the Resident to kindly address the Government of India on the subject.

Sir, dt/23.10.1914

With reference to the correspondence ending with your letter No. 3129 dated 18th September 1914 in the matter of deputing a candidate for training at the Forest Provincial Service Course of 1915-17, I am directed to state that intimation has been received from the President of the College that no seat can be made available for the Durbar's candidate as the demand from British India already exceeds the prescribed limit of 20 men. The general standard of the applicants whose names have been submitted to Government is also disappointing. Under the circumstances the question of selecting a candidate this year may be dropped.

Sd by Mr R. Rama Rao

2. Efforts are however being made to arrange for a seat ~~for the~~ next year and a separate communication will be sent to you later on ~~in~~ regarding the selection of a candidate ~~next year~~.

3. In view of the difficulty of securing admission to Mysore students in the Institute, I am directed to request you to submit a report to Government indicating ~~showing~~ the measures you would recommend for giving the needful training in Forestry and obtaining qualified men for the department.

SIR,

I am directed to refer to Mr. Narasinga Rao's letter No 358 Pol., dated the 22nd October 1914, regarding the Durbar's enquiry as to whether arrangements can be made to reserve a nomination in the Provincial Service Course of the Forest Research Institute and College, Dehra Dun, for a Mysore candidate every year.

file relating to this has been put up vide D. 4166 re Sending a man to England and Subsequently appointed as member on 16.2.15

2. In reply, I am to say that, in view of the very abnormal demand from British India for nominations for the 1915-1917 course and of the fact that the Mysore State already had students in both the 1913-1915 and 1914-1916, classes, the President of the College did not find it possible, out of the limited number of nominations, to allot one to Mysore for that course without ignoring the claims of others. For subsequent years, however, the Government of India, while unable to bind themselves definitely at present, trust that there will be no difficulty in placing one nomination at the disposal of the Durbar annually.
